

# Hawaii Fishing & Boating Association Membership Registration

All Honokohau Harbor users and interested parties are invited to participate.

Our short run purpose is to address the harbor's proposed parking fee initiative and then improve the experience of all harbor users in the long run.

We need your ideas!....and, membership is **FREE!**

---

A member meeting will be announced shortly to discuss what we are doing and what else we can be doing to stop the state from imposing a parking fee at the harbor.

Your valuable input and action can make a difference. We have obtained legal counsel. We are working towards building a media and political campaign, as well as exploring alternative solutions to parking fees. This is just the beginning....
